Dear Member/Trainee

There have been too many classes that the confirmed number of people don't show up the day of Training. Starting immediately, anyone that has confirmed their attendance and does not show up the day of Training, your names will be forwarded to the Business Agents. If this continues you will make it difficult for yourself to register in future courses.

Classes are all subject to enrollment, once enrolled you must confirm attendance 2 days prior to course start. If you are unable to attend class **please** call the Training Centre to remove your name off the list so we can make seats available to other members that want to take the course. Classes will be cancelled if confirmed attendance is too low.

Finally, with respect to Personal Protective Equipment, it is an absolute necessity at the Training Centre. If a course on the schedule is marked (PPE) you will be required to bring your own Personal Protective Equipment. This includes your Safety Boots, Hard Hat, Safety Glasses and Gloves. The Training Centre wants to insure a safe and secure environment.

If you have questions or concerns please call the Training Centre.

Fraternally,

Nick Ciccone
Training Director

Please note:

Starting immediately the Training Centre will **NOT** register anyone that is not a member of LIUNA Local 837.

If you are not a member, you **MUST** provide a **TRAINING PERMISSION FORM** which will give you permission by your Business rep. to enroll in the Training.
